

Robert T. Keene,

justment of their respective accounts

Sheriff elect for Caroline county, being so recently in office, it is probable he was not in possession of any part of the amount charged to him on the 1st of November last, up to which day he was only bound to account.

John Custis Handy.

This account was adjusted on the 23d of November last, when, after making a considerable payment, the balance reported, was left against him. It is expected soon to be received into the treasury

George Handy.

In consequence of the fall term of the court of Somerset county being held in the month of November, Mr. Handy was unable to attend here in order to settle his account within that month. He is, however, at all times, particularly attentive to his engagements with this office, and it may be relied on with certainty that the balance against him will be discharged during the present month.

James Sewall.

Altho' he does not always settle his account within the month of November, Mr. Sewall never fails to do it soon after, and the balance against him will, no doubt, be received in the course of the present month.

Thomas Murphey.

It is expected that Mr. Murphey will attend to an early settlement of the balance reported against him.

All which is respectfully submitted by
their most ob't. serv't.

WM. K. LAMBIN, Tr. E. S. Md.
